RELAX

Which way's the beach? It's right over there. Five acres of it along the most beautiful shoreline in Jamaica. And it's private, which means it's never crowded. Ever. So lay back, watch the world go by and work on that tan. Or just lounge by the pool or in the poolside hot tub.

PLAY

Sunset at the Palms is where you go for serenity, peace, quiet and an overall laid-back vibe. But if you're feeling like something vigorous, stop by our activities desk. There's plenty to choose from -non-motorized water sports including snorkeling, kayaking and wind surfing, traditional Jamaican cooking classes and bartending classes, too. Even offsite excursions to the sites of Jamaica.

EAT AND DRINK

You come to Jamaica for the beach and the weather and the water and the beach ...

... and the beach. But here, dining is a big deal. So forget everything you've heard about the food at an all-inclusive resort. Because this isn't that.

Whether it's at our Jamaica Palms open-air dining for breakfast lunch or dinner or fine Caribbean-fusion dining at the Lotus Leaf restaurant, you'll go away satisfied and happy. And for a special treat, be sure to reserve a spot at our Chefs' Showcase Under the Stars dinner.

Feel like having a drink? Swim on up to the Bamboo Bar in our pool. Or, if you're enjoying a day at the beach, have a cool drink or light meal at the Palm Breeze Beach Bar & Grill. Enjoy a before or after dinner libation at Irie Martini - just off the lobby. And have yourself an espresso, latte or coffee (Jamaica Blue Mountain, of course) at the Blue Coffee Bar.

You can even dine on your balcony or in bed.

TOUGH DECISION

Spa services at Sunset at the Palms are by appointment and are not included in the all-inclusive vacation rates, but we offer a full complement of massages and treatments self-indulgence at its best.

WEDDINGS, HONEYMOONS AND THE ROMANCE OF JAMAICA

Choose from a selection of Wedding Packages and get married on the beach or in the gardens. Packages include minister's fee, flowers, sparkling wine and wedding cake - even large receptions and dinners are available.

And it's hard to imagine a more romantic place for a honeymoon than right here at Sunset at the Palms. So, we have Honeymoon Packages available. Naturally.
